MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorised Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

GENERAL ORDER.

HORSE-GUARDS, 18*th May*, 1824.

IT has been reported to the Commander in Chief, that, in some instances, Regimental Officers have been employed by certain Societies for the distribution of Bibles and Religious Tracts among the Troops: and, considering that such a Duty belongs solely to the Chaplains of the Army, who are attached to Garrisons, or Brigades, and who are the proper and only Channel, with the Approbation of the Commanding Officers, for all Communications of this nature, His Royal Highness strictly forbids Military Officers from accepting or executing any such Commission, under the penalty of His Majesty's severe displeasure.

In giving this Order to the Army, His Royal Highness feels it essential to declare, that Military Chaplains are always ready to perform the Duties for which they are held responsible; and that they will never fail to issue to the Troops, under regular Authority, whatever it may be proper to distribute among them.

By His Royal Highness
The Commander-in-Chief's Command.
HENRY TORRENS,
Adjutant-General.

GENERAL ORDER.

HORSE-GUARDS, 24*th May*, 1824.

IT has been represented to the Commander-in-Chief, that notwithstanding the Orders already in force, great inconvenience has arisen from the want of regular Marriage and Baptismal Certificates from Foreign Stations, of Officers and Soldiers, and their Children, His Royal Highness has been pleased to direct that the Chaplains to the Forces abroad shall be instructed to transmit to the Chaplains General's Office, Half Yearly, and for any broken period that may occur previous to their quitting the Stations in which they are employed, a Copy, duly signed by themselves and the

Officer in Command of each Station, of the Regimental Registers of Marriages and Baptisms now kept in conformity with the General Regulations on this subject.

By Command of His Royal Highness,
The Commander in Chief.

Adjutant General.

His Royal Highness the Commander-in-Chief directs, that in the Appointment of Hospital Serjeants, Commanding Officers will take care to select Men, who are active, intelligent, and of good Character.

The Hospital Serjeants are, in future, to be accounted for in the Regimental Returns, under the head of "Staff Serjeants."

In consequence of this addition to the Establishment of Serjeants, One Private is to be discontinued as a Part of the Establishment of Regiments of Infantry, from the respective Periods above stated.

By Command of His Royal Highness,
The Commander-in-Chief.
HENRY TORRENS,
Adjutant General.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's Forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

GENERAL ORDER.

HORSE-GUARDS, 18th May, 1824.

IT has been reported to the Commander in Chief, that, in some instances, Regimental Officers have been employed by certain Societies for the distribution of Bibles and Religious Tracts among the Troops: and, considering that such a Duty belongs solely to the Chaplains of the Army, who are attached to Garrisons, or Brigades, and who are the proper and only Channel, with the Approbation of the Commanding Officers, for all Communications of this nature, His Royal Highness strictly forbids Military Officers from accepting or executing any such Commission, under the penalty of His Majesty's severe displeasure.

In giving this Order to the Army, His Royal Highness feels it essential to declare, that Military Chaplains are always ready to perform the Duties for which they are held responsible; and that they will never fail to issue to the Troops, under regular Authority, whatever it may be proper to distribute among them.

By His Royal Highness
The Commander-in-Chief's Command.
HENRY TORRENS,
Adjutant-General.

No. 417.

GENERAL ORDER.

HORSE-GUARDS, 24th June, 1824.

LEST the General Order of the 18th Ultimo should be misunderstood, the Commander-in-Chief makes it known to the Army, that it was not intended thereby to cancel the Authority given to the *Commanding Officers* of Regiments and Depôts in the Circular Letter of the 8th June, 1818, (repeated in the General Regulations of the Army of 1st January, 1822,) for communicating with the Naval and Military Bible Society, respecting the distribution of Bibles among the Troops; but merely

to forbid the employment of any subordinate Agents in the Army for performing a Duty which is only to be executed under the controul and superintendence of the Commanding Officers of Corps, and of Military Chaplains; who will hold such Correspondence with the Naval and Military Bible Society as they may think necessary for the benefit of the Garrisons and Corps to which they are attached.

By Command of His Royal Highness,
The Commander in Chief.
HENRY TORRENS,
Adjutant General.

BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations the following were deemed expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorise, and shall not be deemed or construed to authorise, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes The King's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to His Majesty's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to The King's pleasure being taken thereon.

BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations the following were deemed expedient to announce, in the year 1812,

5th, "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorise, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes The King's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to His Majesty's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to The King's pleasure being taken thereon.

(Signed) CASTLEREAGH.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the account of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

WAR-OFFICE, 31st August, 1824.

SIR,

I HAVE the honour to transmit, for your information and guidance, a Copy of the King's Warrant, dated the 8th April last, for discontinuing the use of the Saddle Blanket in His Majesty's Regiments of Cavalry in India, and substituting in its stead a fixed Pannel or Pad; and at the same time directing that the Horse Cloth, to which it will be necessary to revert in consequence of the disuse of the Saddle Blanket, shall be provided at the Cost of the Soldier as an Article of Necessaries.

I have further to acquaint you, that as the price of the Saddle Blanket is 15s. 6d., and that of the Horse Cloth 8s. only, the difference of 7s. 6d. between those sums will be deducted from the Allowance of £2. 6s. 1d. hitherto granted by the Public to provide Necessaries for each Recruit raised for His Majesty's Cavalry Regiments in India, thereby reducing the said Allowance to £1: 18s. 7d. per Man.

I am, &c.

(Signed) PALMERSTON.

WARRANT discontinuing the Use of the Saddle Blanket in Regiments serving in India, and substituting in its Place a fixed Pannel or Pad.

Dated 8th April, 1824.

GEORGE R.

WHEREAS it has been represented unto us, that the Saddle Blanket as now used with the Hussar Saddle, is ill adapted to the Climate of India: Our Will and Pleasure is, that the Saddle Blanket shall accordingly be discontinued, and shall no longer form a part of the Cavalry Equipment for our Regiments in India; but that, instead thereof, a fixed Pannel or Pad, shall be substituted.

It is Our further Pleasure, that the said Pannels or Pads shall be pro-

cured at the Charge of the respective Colonels; and, in order to indemnify them for the additional expense thus imposed upon them, the Chaces, which the Colonels have hitherto been required to furnish biennially, shall, in future, be furnished only once in three years, this Article having been found, by experience, to last that period.

It is likewise Our Pleasure, that the Horse Cloth, which, in consequence of the discontinuance of the Saddle Blanket, it will be necessary to reyest to, shall be provided at the charge of the Soldier, and be considered as part of his Necessaries.

And for so doing, this shall be, to all Persons whom it doth or may concern, a sufficient Warrant, Authority, and Direction.

Given at Our Court at Carlton Palace, this 8th day of April, 1824, in the fifth Year of our Reign.

MEMORANDUM referred to in the Circular Letter from the War Office, dated 10th September, 1824.

THE System of paying over Stoppages to the Purveyors of General Hospitals, and to the Medical Officers in charge of Regimental Hospitals, is to be discontinued; and all Sums necessary to meet the expenditure of these Hospitals are, in the case of Regimental Hospitals, to be received by the Surgeon from the Paymaster, upon Estimates, to be furnished in sufficient time to enable the Paymaster to introduce the amount into his Monthly Estimates with the approbation of the Commanding Officer.

In the case of General Hospitals, the Purveyor of an Hospital at Home is to draw for the necessary funds upon the General Agent, under the direction of the principal Officer of the Army Medical Department in London, for General Hospitals in Great Britain;—and Dublin, for General Hospitals in Ireland;—and on Foreign Service is to receive the same from the Military Chest, under Warrants from the General Officer commanding on the Station, founded upon the recommendation of the principal Medical Officer on the Station.

N.B. Additional Pay for length of service, for Men entitled thereto, is to be added to the above Rates, but not Beer Money.

The additional pay of 2½d. per diem for Orderlies in General Hospitals abroad, is to be charged as heretofore in the Regimental Pay-lists supported by the Purveyor's Returns.

Quarterly Returns, made up from the Hospital Books, and specifying the dates of the entry and discharge of every man who shall have been in Hospital during the Quarter, with his name and rank, and the Regiment to which he belongs, are to be transmitted from all Hospitals, direct to the War Office, within Ten Days after the termination of each quarter.

The Returns from Regimental Hospitals are to be certified by the Commanding Officer and Surgeon, and those from General Hospitals by the Commandant, principal Medical Officer, and Purveyor.

Monthly Returns of Men in General Hospitals, are to be transmitted by the Purveyor to the Paymaster by whom the Pay of the Men is to be charged.

In the case of a Man being in the Regimental Hospital of a Corps to which he does not belong, a similar Monthly Return is to be transmitted by the Paymaster of that Corps to the Paymaster by whom the Man's pay is to be issued and charged, which Return is to be annexed to the Pay-list of the latter.

In cases where Men belonging to the Guards or Ordnance Service may be admitted into the Hospital of another Regiment, the Paymaster of that Regiment is to recover from the Agent of the Artillery, or of the Regiments of Guards, 10d. per diem for each Man, and is to deduct the amount in his Pay-list under the head of Pay.

The Hospital Accounts of the Regimental Surgeons are, as usual, to be made up half yearly, viz.—to the 24th June and 24th December inclusive. The amount is to be charged by the Regimental Paymaster, in the Pay Lists, under the head of Contingencies; the charge being supported by a Duplicate of the Accounts, examined and approved by the Director General in London for Regiments in Great Britain, and in Dublin for Regiments in Ireland, and by the Inspector, or other principal Medical Officer, on a Foreign Station; for which purpose the Surgeon at Home is to transmit his Accounts in Duplicate to the Army Medical Department, and the Surgeon Abroad is to send his Accounts in Triplicate to the principal Medical Officer: one Copy, when examined, is to be returned to the Surgeon, to be delivered by him to the Paymaster, who is to annex the same to the Pay List, in support of the Charge. If the amount of the advances to the Surgeon upon Estimate be less than the total of the Account, the Surgeon's receipt for the difference is to be annexed as a Voucher to the Account of the Paymaster. If the Sums advanced exceed the total of the Account, the Paymaster is to require the Surgeon to refund the difference.

The Paymaster may insert the Sums advanced to the Surgeon in his Pay Lists, under the head of advances not finally accounted for; they are of course, however, to be deducted from the Pay List in which the amount of the approved Account shall be charged. The non-receipt of the approved half-yearly Account of the Surgeon will not therefore warrant delay in transmitting the Regimental Pay Lists. The Sums required by the Paymaster to enable him to make advances to the Surgeon, may be included in the Monthly Estimates, under the head of Contingencies.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorised Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions,* in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

CIRCULAR, No. 525.

WAR OFFICE, 5th October, 1824.

SIR,

IT having been decided that the Accounts of Forage supplied to Regiments of Cavalry in Ireland should, hereafter, be examined in this Office in the same manner as the Forage Accounts of Regiments in Great Britain, I am directed by the Secretary at War to acquaint you therewith; and to desire that, from the 25th ultimo, you will strictly conform to the Rules laid down in Section 2 of the Collection of Regulations, pages 194, 224, and 229, so far as regards Supplies of Forage; and that you will render to this Office Forage Accounts, and Extracts of Adjutants' Rolls, at the periods therein specified, agreeably to the Forms herewith transmitted, and of which a further supply will be issued on application to this Office. Duplicates of the Forage Accounts are to be rendered to the Deputy Commissary General in Dublin, special care being taken that the same are forwarded, at the latest, on the 1st of the Month succeeding that in which the Supplies shall have been issued.

As it has been arranged that the full price of the Ration of Forage for Officers' Horses is to be paid by the Deputy Commissary General to the Contractor, you will take care to collect the proper Stoppages from the Officers, and remit the Amount to the Agent of the Regiment, by whom the same will be paid over to the Commissariat Department.

The 58th Clause of the Mutiny Act of the present Session, viz.—Geo. IV. cap. 13, authorising Horses of Cavalry, &c. to be Billeted in Ireland upon Innkeepers, &c., and Forage supplied in the same manner as in England, according to Rates fixed by the Lord Lieutenant, I am directed, with reference to the Regulation in page 220 of the 2d Volume of Regulations, to desire that when the Regiment, or Detachment thereof, shall be on a March, and Billeted, you will draw Bills for all such Sums as may be required for this Service, as well as for Horses at Grass and in Straw Yards, on the Deputy Commissary General, at Three Days' Sight, according to the Form in use for Regiments in England; and if any circumstance should arise to render the measure necessary, you may, agreeably to the Regulation, page 280, draw on the Deputy Commissary General on account, but in this case the Sum drawn should be short of the Sum required for the Expense of Billetting during the Current Month; and the Amount so drawn upon Ac-

WITH reference to my Circular Letter dated 10th May, 1823, I have to acquaint you, that it not being judged expedient to require that Parochial Clergymen officiating to the Troops shall in all cases visit the Sick twice in every week, the Commanding Officer will in future, be expected to certify only, that the Clergymen has visited the Sick once in each Week, and has at all times, when sent for, performed with them the necessary duties.

I have to add, that in every Military Hospital, a Notice should be affixed to the Wall in some conspicuous place, to the following effect, viz:—
"The Rev. —— ——, officiating Clergyman to the Troops on this Station, resides at ——, and is ready to attend the Sick at this Hospital whenever his Spiritual Assistance may be required."

I have, &c.

2. These Indulgences are to terminate on the 10th March next, when, in conformity to His Majesty's Regulations, all Officers and Men are to be present with their respective Regiments.
3. One Field-Officer, One Half of the Captains, and One Half of the Subaltern Officers, are always to be present with their Regiments.
4. No Officer (except in the performance of Duty, or for the purpose of joining his Regiment) is to quit the United Kingdom, without having first received His Majesty's special Permission.
5. The Officers employed on the Recruiting Service, or upon the Staff of the Army, are not to be included in the number hereby fixed for the constant duty of the Regiment or Battalion.
6. The applications for Leave for Regimental Paymasters, and Medical Officers, are to continue to be made in the mode prescribed in pages 72 and 73 of the General Regulations of the Army.
7. In case of short Leaves of Absence being requested by Adjutants, Riding-Masters, Quarter-Masters, or Veterinary Surgeons of Regiments, it will be necessary that a special Report should be made as to the mode in which their Duties are to be performed during their absence.
8. The proportion of Non-commissioned Officers, Trumpeters, Drummers, and Private Men, to whom Furloughs may be granted, is not to exceed Ten per Troop or Company.

When Regiments, or Battalions, are not stationed in Garrisons, or in Military Districts, the Officers Commanding are at liberty to use their discretion in granting the indulgence of Leave of Absence, under the foregoing Restrictions, to the Officers and Men under their Command.

This Order does not apply to the Officers and Men doing Duty at the Depôts of Regiments on Foreign Service.

By Command of His Royal Highness,
The Commander-in-Chief.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto*, will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices*, will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission*, shall, on being convicted thereof by a General Court Martial, *forfeit his Commission*, and be *Cashiered;* and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, or any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive, for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by

His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."
